

Mount Olive Christian Early Childhood Center 2017- 2018 Class Offerings

Mount Olive provides age-appropriate learning experiences in a Christ-centered environment

Junior Kindergarten

**Class size will be limited to 18 students.*

This class is designed for children who are old enough for Kindergarten but parents feel they are not yet ready for the Kindergarten experience or have an early fall birthday. The day will be organized much like a preschool day with more structured activities to prepare the child for Kindergarten. Children in the class will also be taught some Spanish. **We will accept children who turn 5 up through October 31.** This class meets three days per week from 9:15 AM-2:45 PM. †

4-5 Year Old Classes

**Class size will be limited to 18 students.*

Extended Day † *(offered 2 or 3 days per week)*

Must be 4 by Sept. 1 of school year

This class is specially designed to give students a more relaxed opportunity for learning through the day. They are encouraged to expand their learning through hands-on, developmentally appropriate experiences. Children have more opportunity to immerse themselves in the theme being studied. "Quiet reading" time will be scheduled as part of the schedule after lunch to provide a rest time for those who still need it. It meets from 9:15 AM-2:45 PM.

Half-Day with Full Day option † *(offered 2 or 3 days per week)*

Must be 4 by Sept. 1 of school year

Parents may sign their child up for the half-day option or the extended day option. Those choosing the half-day option would go home at 11:45 AM and those choosing the extended day option would leave at 2:45 PM. As the year progresses and a parent decides their child might be ready for the extended day experience, they may choose to add the rest of the day. Experiences are provided that meet children's needs and stimulate learning in all developmental areas. Weekly themes are followed with a balance of structured and unstructured learning experiences.

Books are Fun †

Must be 4 by Sept. 1 of school year

This class is a literature-based class using books as the theme for the week focusing on print awareness and involving the children in telling and acting out stories. All projects and activities center around our books including weekly cooking projects. Experiences are provided that meet children's needs and stimulate learning in all developmental areas. Classes do journals and other enrichment activities in addition to traditional preschool activities. This class meets two days per week. It may be taken alone but many add it on to any 4-5 year old class creating a 4 or 5 day class. This class meets from 9:15 AM to 2:45 PM
